Budget Work Session

Directors and Manager went over 2020 estimated actual figures and 2021 budget line items. Director feedback included separating the capital line item for analysis and planning for a pipeline that may replace a portion of the ditch, providing for future recreational use of the original ditch corridor.

Directors were in consensus regarding proposed changes and estimated actuals. Edits will be made and the budget will be ready for final approval at the October budget hearing.

The meeting was adjourned at 12:26 pm.
